Need a simple Wordpress calculator created (preferably using GravityForms)

Web Development

Posted 3 months ago

2 required Connects

I'm looking for a Wordpress calculator to be created using Gravity Forms.

I have attached an Excel spreadsheet which shows the calculations I would like.

\$100

Fixed-price

\$\$

Intermediate level

Attachment

[Penalty Calculator.xlsx \(9 KB\)](#)

Project Stage: Fully Specified

One-time Project: Gravity Forms calculator

Project Type: One-time project

You will be asked to answer the following questions when submitting a proposal:

1. Please provide an example of a calculator that you have created.
